VEX-WPCR

Wet Location LED Exit Combo with Remote Capability

The VEX-WPCR Series exit combo's low-profile, rounded corners and compact size gives the unit its modern design. The VEX-WPCR is UL 924 Listed for Wet Locations and features remote capability. The unit is an ideal solution for egress lighting where splashing, dripping or non-corrosive liquids may occur.

Key Features

- Remote capable
- California Energy Commission (CEC) Compliant
- UL 924 Listed for Wet Locations
- Impact and UV-resistant polycarbonate faceplate with integral gasket to ensure ingress protection
- Heavy-duty, high-impact, corrosion-resistant housing
- Constant, uniform illumination with 20' on-center spacing

Dimensions
